

BOARD ELECTION CANDIDATE'S PROFILE

Mr. Stephane GEFROY
APTRA Board Member

Kansai Airports
Chief Commercial Officer - Non-Aeronautical

Personal Statement

Being at the APTRA board since 2019, I was able to share insights and opinions reflecting airport visions, especially in the difficult circumstances of the Corona pandemic. Kansai Airports is a key player in the airport Duty-Free and Retail business through its volume of traffic and sales. We also have a Duty Free/ Retail subsidiary that puts us in a unique position to understand better the stakes of brand/tenant/airport relationship. I would like to continue to bring that vision to the Board of Aptra, along with the insights from North Asia.
